

Certificate of constancy of performance

0672-CPR-0534

In compliance with Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the

Construction Product(s): **Line Rocker Bearing
with trade name
mageba-Line Rocker Bearing**

of ferrous material class A or B, type 5.1 in accordance with EN 1337-1, for use in building and civil engineering works where requirements on individual bearings are critical,

produced by or for: **mageba sa
Solistrasse 68,
CH-8180 Bülach, Switzerland**

produced in the
manufacturing plant(s): **mageba Slovakia
Hlavná 432,
98101 Hnúšť'a, Slovakia**

The Certification Body of Materials Testing Institute University of Stuttgart certifies that all provisions concerning the assessment and verification of constancy of performance described in

Annex ZA
of the standard(s): **EN 1337-6:2004**

under system: **1**

for the performances set out above are applied and that the construction product fulfils (products fulfil) all the prescribed requirements for these performances.

This certificate contains 1 page(s) and was first issued on **2015-05-18**. It will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performances of the declared essential characteristics, do not change, and the construction product, and the manufacturing conditions in the plant are not modified significantly, unless suspended or withdrawn by the product certification body.

Stuttgart, 2015-05-18
