**Notified Testing Supervising and Certification Body 0672-CPD-001**

**EC-CERTIFICATE OF CONFORMITY**  
**0672 – CPD – 050.616**

In compliance with Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (Construction Products Directive - CPD), amended by Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

**mageba-Guide Bearings and mageba-Restraint Bearings**

types 8.1 and 8.2 in accordance with EN 1337-1, as guide bearing with sliding elements according to EN 1337-2 for effective bearing temperatures of -35 °C to +48 °C, for use in building and civil engineering works where requirements on individual bearings are critical,

placed on the market by

**mageba sa**  
**Solistrasse 68, CH-8180 Bülach, Switzerland**

and produced in the factory

**Factory B**

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body - MPA Universität Stuttgart - has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in Annex ZA of the standard

**EN 1337-8:2007**

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 8 October 2009 and remains valid as long as the relevant conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.

Stuttgart, 08 October 2009

  
Dr.-Eng. J. Wiedemeyer  
Head of Certification Body

In compliance with DIN/IEC 17025 accredited Testing Lab. Accreditation Body recognized by DAP. Accreditation valid for testing methods (DAR-Reg.-Nr DAP-PL2907.99) listed in the certificates. Additional Accreditation granted in compliance with DIN EN ISO/IEC 17025 granted by DKD/PTB, KBA, ZLS and certification on the basis of DIN EN ISO 9001:2000 by the TÜV. PÜZ body approved by DIBt, body notified to EU 0672 and 1080.
