**EC-CERTIFICATE OF CONFORMITY**  
**0672 – CPD – 054.201**

In compliance with Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (Construction Products Directive - CPD), amended by Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

**Flexible plug expansion joint**  
**for nominal movement capacity of 15 mm – 135 mm**

with trade name

**POLYFLEX® Advanced PU**

for use in building and civil engineering works where requirements on individual joints are critical,

placed on the market by

**Reisner & Wolff Gesellschaft m. b. H.**  
**Teminalstraße 25, A-4600 Wels, Austria**

and produced by the factory

**Reisner & Wolff Gesellschaft m. b. H.**  
**Teminalstraße 25, A-4600 Wels, Austria**

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body - MPA Universität Stuttgart - has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in the European Technical Approval

**ETA-12/0260**

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 17 June 2013 and remains valid as long as the relevant conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.
